## BANDIT HUNTERS CONTINUE CHASE ON U.S. GROUND

Raiders Who Killed Three  
American Soldiers Not  
Across Border.

### HIDING IN MESQUITE

Maj. Gray Empowered to Fol-  
low Mexicans Across Line  
if They Flee.

(By the International News Service.)  
San Antonio, June 15.—Up to a late hour  
tonight Gen. Funston had received no ad-  
vice that Maj. Alonzo Gray and his  
troops of the Fourteenth had crossed  
the Rio Grande in pursuit of the bandits  
that attacked the cavalry camp at  
San Ignacio, Tex., at 6 o'clock this morn-  
ing. Maj. Gray has authority to cross,  
and doubtless will if he learns the bandits  
have reassembled on the Mexican side.  
Three American troops were killed  
and six wounded in the fight with the  
bandits. Two of the wounded are expected  
to die.

Eight Mexicans Killed.  
Eight Mexicans were killed and a con-  
siderable number wounded. Evidently the  
outlaws had expected to surprise and  
stampede a half troop, and when they  
discovered two and a half troops fighting  
coolly from trenches they fled. Breaking  
into groups of twos and threes, some of  
them hid in mesquite thickets in arroyos  
Rio Grande, but it is believed most of  
them hid in mesquite thickets of Arroyos  
on the American side.

In the meantime, the cavalry detach-  
ments of the border guard are compelled  
to ignore other forces of the Luis de la  
Rosa command concentrated across the  
river, waiting for similar opportunity to  
make surprise night attacks, or razzia  
raids. De la Rosa boasts he would make  
four raids. He has made two; another  
is expected in the vicinity of Zapata,  
twenty-five miles down the river from  
San Ignacio, and from Higalosa, sixty  
miles up the river from Laredo.

Army Kept in Check.  
If the army had its way it would take  
the initiative and strike these bandit  
camps at night without waiting for them  
to take the aggressive, but the adminis-  
tration will not permit this.

Privates Charles F. Flowers and Ed-  
ward Katonah, of Troop M, were killed  
instantly; Private James Minaden, of the  
same troop, died at 8 o'clock.  
The wounded are: Corp. William Ober-  
lies, Troop M, and Private James E.  
Roch, Troop L, seriously; Privates Tony  
Horlina, Henry Matasoff and Elmer W.  
Minnette, of Troop M, and Private  
Thomas T. Ewing, of Troop I.

## Colonel Remains In New York City

Uncertain Whether Illness or  
Politics Keeps Leader  
from Home.

(Sun News Service.)  
(By Sun News Service.)  
New York, June 15.—Colonel Roose-  
velt is staying in town over another  
day. He will not go back to Oyster  
Bay tomorrow afternoon, as he had  
intended, but will remain in the city  
until Saturday. Whether his change  
in plans is due to the political con-  
ferences he is having, or to his illness,  
he would not say.  
The Colonel's visit to his physician  
was sandwiched in between his politi-  
cal calls. He walked from the hotel  
Langdon, where he and Mrs. Roosevelt  
are staying, to the office of Dr. Ar-  
thur B. Duell in the afternoon, and  
underwent a thorough examination.  
The X-ray plates which had been  
taken the day before were studied.

## Sole Anti-Wilson Man Represents Germans

(By the Sun News Service.)  
Convention Hall, St. Louis,  
Mo., June 15.—Robert Em-  
met Burke, who voiced the  
single opposition vote recorded  
against the renomination of  
President Wilson tonight, is a  
delegate-at-large from Chi-  
cago.  
Burke, who was sent to  
the convention by a constitu-  
ency made up largely of citi-  
zens of German birth or an-  
cestry, was the only delegate-  
at-large from Illinois, elected  
on a "no preference" ticket,  
the others being all straight-  
out Wilson men.  
If efforts were made to dis-  
suade Burke from ruining the  
unanimity of the Presidential  
nomination they were fruit-  
less. Tonight he kept his  
word to his German constitu-  
ents and yelled "no" lustily.

## WILSON IDEAS IN PLATFORM

Democrats Pledge Party to  
Carry Out President's  
Professed Policies.

### DECLARES IN FAVOR OF KEEPING TROOPS IN MEXICO

(By HUGH S. MILLER.)  
(International News Service.)  
St. Louis, June 15.—The Democratic  
platform was completed at 7:45 tonight  
by the subcommittee of nine members  
of the committee on resolutions.  
The subcommittee then took a recess  
until 10 o'clock when it submitted the  
draft of the platform to the full com-  
mittee for its approval.  
The subcommittee was in session prac-  
tically all day. The biggest fight was  
over the suffrage plank. As finally  
adopted, it follows the lines of the suf-  
frage plank in the Republican platform  
adopted at Chicago last week.

To Keep Troops in Mexico.  
The platform declares in favor of  
keeping the troops in Mexico long  
enough to insure against further upris-  
ings which might endanger American ter-  
ritory. The proposal to incorporate a  
plank declaring against a member of the  
Supreme Court leaving the bench to  
engage in a political contest was not  
incorporated into the platform. Nothing  
was said on the subject.

The Democrats declare in favor of the  
principle of woman suffrage and recom-  
mend it to the States for action.  
The one-term plank which was in the  
platform adopted at Baltimore four  
years ago was dropped.  
The President's suggestion for a plank  
on Americanism was incorporated. The  
declaration is strong in its insistence  
on whole-hearted support of the government  
by all citizens. It is understood that all  
parties are called upon to spurn political  
support from any organization of foreign-  
born citizens which endeavors to influence  
this government's policy of international  
affairs. Confidence is expressed in the  
great body of citizens and "America  
First" is emphasized as the creed of  
all.

The platform points out that the ad-  
ministration has avoided war, and at the  
same time has preserved American rights  
and has secured certain guarantees of  
freedom of intercourse with other nations.

Foreign Policy Indorsed.  
The policy of the administration with  
respect to weaker nations, is withheld.  
It is pointed out that the policy of this  
government is, and should be, to refrain  
from interference in the affairs of smaller  
nations except in extreme cases and at  
the same time to assist them to become  
prosperous.

The platform indorses the creation of a  
scientific tariff commission. It declared  
that the Underwood tariff law was drawn  
in the interests of the people, whereas  
the Republican tariffs were enacted in  
the interests of special privileges.

The principle of the government ship  
purchase bill as a means of building up  
the merchant marine is indorsed.

## AUSTRIANS QUIT CZERNOWITZ AS CZAR ADVANCES

Capital of Bukowina Evacu-  
ated Because of Strong  
Russian Offensive.

### LEMBERG IS IN DANGER

Wedge Sixty Miles Wide  
Driven Through Austrian  
Lines Toward Sokal.

(International News Service.)  
London (Friday), June 16.—The Aus-  
trians have evacuated Czernowitz, capital  
of Bukowina, according to dispatches to  
the semi-official Petrograd News Agency  
from Bukowina by way of Bucharest. The  
fate of the right wing of the Austrian  
army which was defending this city is  
not yet known. Yesterday's dispatches,  
however, said that it was not in immedi-  
ate danger.

The news followed the announcement  
that the Grand Duke Leopold had re-  
pulsed the Russians north of Czernowitz  
and that between Rovno and the Kovel-  
Kolki Railway north of Lutsk, the Rus-  
sians have been halted in their attempts  
to cross the river.

Once more the outstanding features,  
apart from the fall of Czernowitz, are  
steadily mounting number of Austrian  
prisoners and the Austrian abandonment  
of such enormous quantities of military  
spoils that Russia is absolutely unable to  
catalog them.

150,000 Made Prisoners.  
The list of prisoners, according to Pet-  
rograd's report, reached today a total of  
2,471 officers and 150,000 men.

Southward the Russians have driven  
their wedge thirty miles through the Aus-  
trian lines toward Sokal, due north of  
Lemberg. The rent here is reported to  
have been increased to the breadth of  
sixty miles.

The Austrian armies have lost their  
power of co-ordinate action. Two deep  
thrusts into the Austrian line are ad-  
vancing relentlessly and threaten a blow  
at Austria from which she may not re-  
cover.

The Austrians have boasted that the  
Russians would never again take Lem-  
burg. If the double advance continues  
in the direction of the present thrust,  
Lemberg eventually will be outflanked  
on the north and south, and the Aus-  
trians will be compelled to abandon it.

## 400,000 MAY GO ON STRIKE

Railroad Managers Fail to  
Agree with Representa-  
tives of Unions.

### TWO-THIRDS' VOTE WOULD TIE UP ALL TRAFFIC

(By Sun News Service.)  
New York, June 15.—The conference be-  
tween the general managers of the rail-  
ways and representatives of the four big  
brotherhoods of railway employees came  
to an end this afternoon when the last  
peace overture of the railway managers  
was turned down by the employees.  
Within an hour after adjournment  
preparations had already begun to  
submit a strike vote not only to the 400,000  
union men on the roads of the country,  
but to every other employe, nonunion or  
union. Every one of them will be asked  
to vote specifically on the question: Are  
you willing to leave the service of the  
railroad by which you are employed un-  
less a settlement may be reached by the  
committee and your representative?  
A two-thirds vote will mean a strike  
throughout the country on every train  
except mail and milk trains, in every  
yard, terminal and roundhouse, unless at  
a later session an agreement is reached.

## FRENCH ON OFFENSIVE NEAR LE MORT HOMME

(By the Sun News Service.)  
Paris, June 15.—The French took the  
offensive against the German positions  
on Le Mort Homme today. An attack  
was launched after the usual artillery  
preparation, and a German trench on  
the southern slopes of the height was cap-  
tured, along with 130 prisoners.  
The German infantry remained inactive  
last night and today, but the German  
artillery conducted very heavy bombard-  
ments on both banks of the Meuse,  
against Chattancourt and Hill 304 on  
the left bank, and the Thiaumont Farm  
and Fort de Souville on the right bank.

New Cotton Bale Brings \$120.  
New York, June 15.—The first bale  
of cotton of this season's crop was  
auctioned off today on the steps of  
the New York Cotton Exchange.  
Twenty cents a pound, or \$120 for the  
bale, was paid by Gayle Young, who  
made the purchase for S. M. Weld &  
Co.

\$1.00 to Harpers Ferry, \$1.25 Martins-  
burg, \$1.50 Berkeley Springs, \$2.00  
Cumberland and Return.

Baltimore and Ohio, 8:25 a. m., Sun-  
day, June 18, including principal Sta-  
tions Metropolitan Branch—Ad.

## MOOSE FLOCK HUGHESWARD

Friends and Supporters of  
Roosevelt Continue to  
Offer Support.

### CANDIDATE LEAVES FOR WASHINGTON HOME TODAY

(Sun News Service.)  
New York, June 15.—Friends and for-  
mer supporters of Colonel Roosevelt con-  
tinued to flock to the headquarters of  
Charles Evans Hughes today, and assure  
the Republican Presidential nominee that  
they are now among his staunch backers.  
Among the callers was William Potter,  
of Philadelphia, former Ambassador to  
Italy. At the Republican convention in  
Chicago, Mr. Potter made one of the  
seconding speeches when the Colonel was  
placed in nomination and expressed the  
hope that a wedding between the Republi-  
cans and the Progressives would take  
place soon. He believes this has been  
accomplished. He assured Mr. Hughes  
today that he is squarely in line for  
the Republican choice.

Representative Walter M. Chandler, the  
only man ever elected to Congress from  
this city as a Progressive, not only ex-  
tended his compliments to Mr. Hughes,  
but also offered his services in the cam-  
paign.

Mr. Hughes proved again today that he  
is an excellent handshaker. For a time  
it looked as if the stream of callers  
would be unending.

W. Murray Crane, head of the Republi-  
can steering committee, who is now  
stopping at the Biltmore, did not go to  
the Hughes' headquarters today.

Tomorrow evening the nominee will  
take a train to Washington and will not  
return to the city until Monday morn-  
ing.

### Four Lose Lives in River.

New Bern, N. C., June 15.—Four  
persons lost their lives and eight others  
had narrow escapes when the gas  
boat Marion, bound from Bath, N. C.,  
to Washington, N. C., sank in the  
Pamlico River today. The bodies of  
three young women have been recover-  
ed.

### More Mails Reported Seized.

Berlin (by wireless, June 15.—The  
Overseas News Agency today reports  
that the Danish postmaster general at  
Copenhagen has information that the  
British authorities at Kirkwall con-  
fiscated all the first-class mail, as well  
as parcels from the United States, on  
the Danish liner Frederick VIII.

## WOULD ENJOIN BOY HUSBAND

Mrs. Francis D. J. K. Tilton,  
of Chevy Chase, Asks  
Court Action.

### FEARS HE MAY COLLECT \$25,000 DUE HER ON NOTE

Fearful that the young husband she  
married two months ago may spend a  
part of her fortune, Mrs. Frances-Duer-  
Jones-Key Tilton, mother of two grown  
daughters and heroine of two previous  
marital ventures, is seeking injunctions  
in New York courts restraining him from  
collecting some \$25,000 due her within the  
next few days. Previously, when her  
relations with J. H. Tilton, her 23-year-  
old husband, were happy she granted him  
full power of attorney to act in her be-  
half in financial affairs, her attorney  
says.

A note for \$25,000 is due her next Mon-  
day, and it was the fear that Tilton would  
collect this amount that caused Mrs.  
Tilton to carry her case into court. Mean-  
while Mrs. Tilton is in seclusion in her  
home in Chevy Chase.

Mrs. Tilton and her young husband  
were married last April. They met on  
a motoring trip through the North.

Gives Husband \$25,000.  
According to Attorney Henry L. Quinn,  
who is representing Mrs. Tilton, the bride  
gave her husband \$25,000 in securities and  
cash. What became of this \$25,000 is now  
occupying the attention of Mrs. Tilton's  
attorneys here and in New York. They  
would like to ask Tilton for an account-  
ing. But, they say, they have not yet  
been able to find him.

To a reporter for The Washington Her-  
ald Mrs. Tilton last night said:  
"No action for a divorce has been  
started—yet."  
"Thus far we're bending all our efforts  
to safeguard Mrs. Tilton's fortune," said  
Attorney Quinn. "The rest will take care  
of itself later."

Five Burned in Mine.  
Birmingham, Ala., June 15.—Five  
men were seriously burned by an ex-  
plosion in the Coalmont mine near  
here today. Nearly 200 men were res-  
cued without injury.

### Cyclone Kills Woman.

Windsor, Mo., June 15.—A cyclone  
passed over Leeton, Mo., a town  
twelve miles north of here, this after-  
noon, destroying one dwelling and  
doing considerable damage and killed  
a Mrs. Haglin.

## Tumulty Gives President Wilson The News of His Nomination

President Wilson was in his bed chamber, reading and resting at  
12:15 o'clock this morning when Secretary Tumulty entered with  
news of the nomination.  
"I am very grateful to my generous friends," were the words  
with which the President greeted the news.  
Shortly after Mr. Tumulty left the President the lights in Mr.  
Wilson's room were extinguished.

(By Sun News Service.)  
Convention Hall, St. Louis, Mo., June 16.—For President, Woodrow  
Wilson, of New Jersey.

For Vice President, Thomas R. Marshall, of Indiana.

This ticket was renominated by the Democratic national convention in  
the Coliseum here a few minutes before midnight tonight. The President  
was not literally nominated by acclamation. One delegate defiantly  
shouted "no" when Chairman James put the question. This was Delegate-  
at-Large Emmet R. Burke, of Chicago.

1,092 FOR; ONE AGAINST.

It took the bloom off the rose. Senator James was obliged to an-  
nounce the vote 1,092 to 1. The renomination of Mr. Wilson was ac-  
complished at 11:56 p. m., after a nominating speech by Judge John Wes-  
cott, of New Jersey, and seconding speeches by Judson Harmon, of Ohio,  
and Gov. Stuart, of Virginia.

Vice President Marshall was renominated by acclamation, Delegate  
Burke having no objection. The formality was recorded at 11:57 p. m.  
All oppositions crumbled away—the candidacies of Roger Sullivan, of Illi-  
nois; Gov. Major, of Missouri, and Gov. Moreland, of Nebraska, having  
failed to enlist serious support.

### KERN NOMINATES MARSHALL

Mr. Marshall was placed in renomination by Senator Kern, of Indiana.  
There were no seconding speeches.

The name of Ambassador James W. Gerard, who was indorsed by the  
New York delegation for Vice President, was not presented to the con-  
vention.

The Friday superstition had been deferred to, although it was a near  
thing.

At 12:07 a. m. a committee was appointed to wait on the platform  
committee to see if it could get its report ready within reasonable time,  
and so wind up all remaining convention work. It had been in session at  
the Planters Hotel since early Thursday morning.

### QUARREL OVER PLATFORM

A quarrel over some of the planks in the platform prevented a report  
of the platform committee.

It was reported that the President, to whom the planks had been read  
one by one over the telephone, insisted on a strong anti-hyphenate plank  
and that he wanted the convention kept in session until he could address it.  
This was denied by Chairman James. It was clear, however, that a failure to  
meet the President's platform requirement was holding up the platform. The  
subcommittee which drafted the platform had done its work.

Wilson and Marshall will be sent into the campaign on a platform which  
declares:

For Americanism and against hyphenated Americanism.  
For the enfranchisement of women—by the States.  
For a continuance of the present policy in Mexico.  
For a continuance of the President's foreign policy.

### NO SECOND TERM PLANK

For all the declarations of the Baltimore platform save the anti-second  
term plank and the plank favoring the exemption of tolls for American ships  
passing through the Panama Canal. These are definitely lodged in the pre-  
amble of the resolution.

A demonstration lasting forty-five minutes followed the placing of Wil-  
son's name before the convention by Judge Westcott, of New Jersey. The  
same jurist made the nominating speech at Baltimore four years ago.

Many brief seconding speeches were made from States considered doubt-  
ful in the coming campaign. Judson Harmon, who opposed the President at  
Baltimore as a rival candidate, made a seconding speech.

Senator Hughes reported the platform committee could not say when it  
would be ready to submit the platform and the convention adjourned until  
11 a. m. Friday. The adoption of the platform is the only business re-  
maining. Many delegates will not wait for this.
